How you finance your degree is a big part of your decision-making process. All admitted applicants are automatically considered for merit-based program-funded assistantships; however, funding is not guaranteed. We recommend that you plan with the full program cost in mind. In addition to these start-up expenses, potential expenses to consider are moving expenses, rent deposit and monthly rent payments, books/laptop, utilities (electricity, gas, and water), etc.

Typical Graduate Assistantships cover tuition and university fees. Assistantships are not available for the summer semester. Students must cover the balance. The Financial Aid Office will only process need-based funding for United States Citizens. Additionally, university-wide merit-based scholarships may be obtained through the Graduate School.

¹Prep Course costs do not qualify for federal financial aid.

Please note: **Tuition rates may increase for Academic Year 2025-2026. The most current information is available at <https://onestop.utk.edu>.**
